

# Engineering for the Future

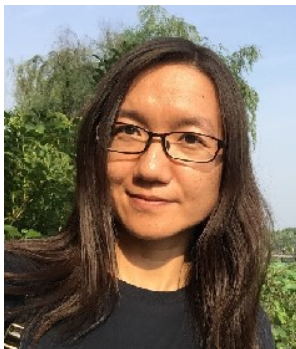

## From Undergraduate Study to Professional Development

### IEEE Online Panel Discussions

Join us for two engaging discussions on the important topics of engineering study and research for students, researchers and industry practitioners:

- ◆ Engineering studies
- ◆ Postgraduate studies: research, publish and more
- ◆ Career planning & preparation
- ◆ Professional development
- ◆ Changes & challenges in the current and post-COVID era
- ◆ Global citizen: from environmental safety to digital security

### Panelists

Dr. Huang Shaoying

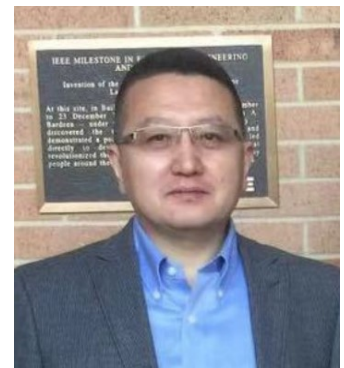

Assistant Professor  
PI, Biomedical-electromagnetics Group  
Singapore University of Technology and Design (SUTD)

Adj. Assistant Professor  
Department of Surgery  
National University of Singapore (NUS)

Dr Alireza Jolfaei

Program Leader  
Master of IT (Cybersecurity)  
Department of Computing  
Macquarie University, Australia

Dr Wu Rong Zhang

Client Services Manager, IEEE

Prior experience:  
3GPP  
Huawei Technologies Co. Ltd  
Agilent Technologies Inc.

**Date:** Monday, Sep 21 & Wednesday Sep 23, 2020  
**Time:** 02:00– 03:00PM, Singapore Time (GMT+8)
